MOZAIC

Digital Shower System Interface design program by Sedal that allows manufacturers to develop a UI in record time with little investment.

Combining pre-designed components in a free canvas, it is possible to virtually design any combination and have a customized interface for your new shower projects.

CONFIGURE YOUR OWN MOZAIC

Different shapes of housing: choose between vertical, horizontal or square.

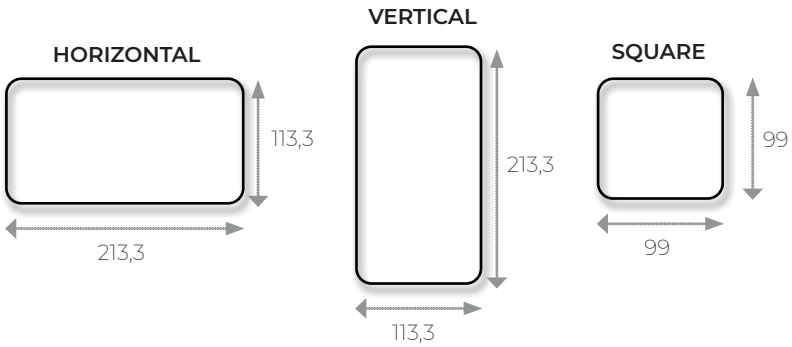
Variety of colors: we adapt the background of the panel to the color you want.

Different components: select the components that you want your digital shower system to have.

1 DIFFERENT SHAPES OF HOUSING

We give you a choice between three different **shapes of housing:** horizontal, vertical or square.

In addition, you can also select the type of trim between black, gray and white.



2 VARIETY OF COLORS

Snow White, Midnight Black, Ocean Blue, Fire Red, British Green, Honey Yellow, Tiger Orange or Orchid Purple are some of the colors that you can select **for the panel of your digital shower system** and that you can combine with the available trims.
